## Stay out of the river!

CHILDREN playing in the River Otter, which passes through Honiton, have become ill with severe vomiting, East Devon District Environmental Health Officers were advised this week.

Tests have shown that the

youngsters were infected with Norovirus, which is a highly infectious form of gastroenteritis.

The virus can be spread from person to person, but in this case it is likely that the source was contaminated river water. Two

other incidents have been reported which may also have been linked to playing in rivers.

It usually takes 24 to 48 hours for symptoms to appear, and these may last for 12 to 60 hours. Typical symptoms are vomiting,

diarrhoea and stomach cramps. People affected can also experience high temperatures and tiredness. In healthy individuals the infection is likely to be short lived and can lead to dehydration.

It is believed that people who have been infected may continue to be contagious for up to two weeks even after symptoms have faded. It is not possible to build up immunity to this virus, making it especially important to maintain

good personal hygiene, washing your hands often. EDDC is working with the Environment Agency in order to find out if there is a specific source of the contamination which might have caused Norovirus in the river water. The children affected were playing in the river at Budleigh Salterton but advice to the public is not to bathe or paddle in the river at all.

This has been a particularly difficult summer for maintaining good water quality and the rivers have been flooded several times. Flood waters take run-off from fields as well as excess water from the drainage system, and may take some time to clear.

If you have any queries regarding Norovirus or the safety of river water, please contact EDDC Environmental Health on 01395 517 456.

If you are suffering from symptoms please telephone your doctor.

## Quotes of the week...

" I WANT people to see the real me and my personality as an individual around the college. Part of my appointment to this role was my personality and what I could bring as an individual and I want this to shine through to the students. It is important to see me as a human being that people can approach and see as a brother, son or husband – not just the college principal.'

New principal Kenny Duncan on his vision for Sidmouth College.

" I THINK the most amazing person in all of this is my donor and their family. I have so much respect and admiration for them and constantly thought of my donor's generosity which made it all possible. I just hope we can help save more lives like my own and it was a huge reminder to me when we got to Harefield and I met a girl just like myself – three weeks post double-lung transplant operation due to cystic fibrosis.

Kirstie Tancock from Honiton on completing an 180-mile charity bike ride from Exeter to Harefield Hospital in Uxbridge where she underwent a double-lung transplant one year ago.

" WE have no guarantee that these homes will be a benefit to the community and no certainty that they will be affordable.'

Councillor Val Christmas on the proposed development of 13 town centre dwellings in Seaton.

## Tigers staying put for the time being

AXMINSTER Town's fond farewell to Sector Lane is on hold – at least for another few weeks. Contrary to reports in other newspapers, Saturday's 1-0 victory over Galmpton United was not the Tigers' swan-song at Sector.

Axminster are planning to move to a new ground in Chard Road, having agreed to sell Sector to developers Devonshire Homes who will be building 71 new homes on the football field.

Devonshire Homes have just secured £150,000 funding for their development plans and are anxious to start work on the first stage. Whilst work continued on the new Chard Road site, the Tigers were planning to ground-share with Ottery St Mary at Washbrook Meadows.

But it is unlikely that Axminster will be vacating Sector Lane any day soon as the seeding of the new pitches at Chard Road, due this autumn, has been put back to next spring.

## AXMINSTER

### Huge crowds for carnival night

**HUGE** crowds descended on Axminster on Saturday evening for the town's busiest night of the year - the annual carnival procession.

Organisers reported that collections were up on last year and police had a fairly quiet evening, reporting just two arrests, although they confiscated "numerous bottles" of alcohol from underage drinkers.

The showpiece event was won overall by Sid Vale Carnival Club's "Bump In The Night" entry, which impressed crowds and judges alike.

Organisers say the collecting teams took a total of £1,500 plus, about £200 better than last year.

## COLYTON

### Skatepark chosen

A SKATEPARK has been chosen as the most popular option to spend a £22,500 grant on in Colyton.

East Devon District Council held a vote on which sporting facility the people of Colyton would most like to see the Section 106 money, offered by housing developers, spent on. More than 200 residents took part in the vote.

The most popular option was a skatepark with a small number of ramps, with the second being an all-age outdoor gym and the third being a sports activity wall.

# From the editor's chair A cracking night!

IT'S been some years since I have been able to watch a carnival rather than reporting on it. But on Saturday, with our chief reporter Anders Larsson being given the privilege of covering Axminster Carnival, Jackie and I were able to stand in the crowd and enjoy the spectacle.

We watched the procession pass through Trinity Square with Courtenay and Lynn Popple. Courtenay is the son of the late Roy Popple who ran Popple's Newsagents in Axminster during the days when people queued right down the street to buy their *Pulman's Weekly News*.

Courtenay became my distribution manager when I set up the Star group of free newspapers in Mid Devon back in the 1980s and it became the subject of great hilarity among the staff that he ended up being allergic to newsprint, the dust from which made his tongue swell!

But Courtenay coped well with his allergy and was a brilliantly loyal and efficient staff member. We bump into each periodically and always end up

talking about our newspaper days together and the fun we had.

I wanted to make sure I saw the Axminster Carnival to support Mervyn Symes, who did his usual splendid job commentating in Trinity Square in his inimitable style.

Axminster lags a bit behind the other East Devon carnivals when it comes to week-long events. But on the night, the Axminster procession is always one of the best and Saturday's was no exception with a mostly well behaved huge crowd and some fantastic entries.

It was good to see some of the former Axminster Carnival Queens in the procession and I thought Sid Vale Carnival Club's "Bump In The Night", which won best in procession, was brilliant.

For sheer comic delight, the Nunsford Nutters from Colyton with their "Properr Job" float, was just hilarious. Nutters by name, nutters by nature! A cracking night all round.

## SEATON

### Council opposes access to site

COUNCILLORS have spoken out against a town centre development amid concerns it will cause a "vast disturbance".

Seaton Town councillors opposed an application for a licence to allow developers access across Windsor Gardens at last Monday's full town council.

The work to build 13 dwellings, an access road, parking, turning areas and a cycle track, is due to take 12 months to complete.

In return for the temporary access, the developer will be rebuilding the failing L-shaped wall in the corner of the Windsor Gardens plot as well as regenerating the gardens, replanting trees and shrubs and renovating the rose bed.

Town councillors believe residents in Seaton will gain nothing from the development other than months of disruption with no community benefit. There were also worries about 16 ton lorries causing congestion in the town and reversing in and around Cross Street.

### OTTERY ST MARY Stay out the river

CHILDREN playing in the River Otter have become ill with severe vomiting. East Devon District Environmental Health Officers were advised this week. Tests have shown that the youngsters were infected with Norovirus, which is a highly infectious form of gastroenteritis.

## SIDMOUTH

### Vision for college

THE new principal of Sidmouth College has had a whirlwind first few weeks as he settles into the school and sets up his plans for the future.

Scot Kenny Duncan was appointed as new principal of the college in April, taking over from previous headteacher Jeremy Roberts and looking to follow in his success.

This is Mr Duncan's sixth teaching post and he has been working in the education sector for more than 20 years.

Mr Duncan's hands-on attitude hasn't gone unnoticed and already the mountain biking and diving enthusiast has set himself the challenge of increasing the school's status at this year's Ofsted visit.

He said: "The college was deemed as 'satisfactory' and Jeremy Roberts did a great job boosting that status to 'good'. Now I want to take the college from good to 'outstanding' and really show off what we can do here."

# Remarkable effort by transplant survivor

DOUBLE lung transplant survivor Kirstie Tancock, from Honiton, has completed a 180-mile charity bike ride.

Kirstie and her team set off from Exeter on Friday September 7th, heading for Harefield Hospital in Uxbridge, where her transplant took place.

They arrived three days later and her team consisted of almost 20 people, made up of friends, family and medical staff who were involved in her treatment.

The bike ride was in aid of three charities; Live Life Then Give Life, The Cystic Fibrosis Trust, and the Royal Brompton and Harefield Trust.

Just over a year ago and only two weeks after her wedding day, 22-year-old Kirstie Tancock was lying in a hospital bed at Harefield Hospital in Middlesex waiting for the donated lungs to arrive which were to save her life.

Kirstie, who suffers from cystic fibrosis, was close to death when the organs she needed for a double lung transplant operation arrived in the nick of time.

Since her operation, Kirstie has become a leading campaigner for organ donation awareness and raised significant sums for her favourite charities – including the Cystic Fibrosis Trust and Live Life Then Give Life – as well as for the Harefield Hospital charitable fund.

During her cycle marathon, Kirstie's mind was fixed firmly on the donor who gave her a second chance in life and made her achievement possible.

Her determination was boundless and overcome a chest infection shortly before the event which limited the amount of training she could do to prepare for the event.

She said: "I feel so proud of myself, but more of my team – my nurses and doctors, friends and family.

■ **REMARKABLE:** Double lung transplant survivor Kirstie Tancock celebrates her most recent achievement, one year on from her operation

Kirstie's consultant at Harefield, Dr Anna Reed, consultant in respiratory and transplant medicine, added: "Kirstie is a remarkable young woman whose outstanding efforts to give something back to the hospital which treated her speaks volumes about the kind of selfless person she is.

"To undertake a physical challenge as tough as this only a little more than a year after her transplant really is remarkable and all of us who know her applaud her efforts and wish her well for the future."

## School seeks support of neighbours over intruders

NEIGHBOURS of Musbury Primary School have been asked to call 999 if they spot intruders in the school grounds.

Headteacher Clive Salmon said: "Several households were disturbed by a group of youths in the grounds of the school in the early hours of Wednesday, September 5th.

"The police have been informed and neighbouring residents have been advised by the police to dial 999 in the event of a recurrence.

"It is understood that some neighbours informed the school the following morning, but nobody called police when the youths were spotted. Police said there were no signs of damage or other criminal activity.

## Fire in hall toilets

THE toilet block in Memorial Hall in Broadhembury suffered smoke and fire damage on Thursday, September 13th.

Firefighters were called just before 10am, and a spokesperson for the fire and rescue service said: "Fire appliances from Honiton and Cullumpton attended a fire in an extractor fan in Memorial Hall.

"The fire was caused accidentally, and the toilet block suffered minor damage by fire and severe damage by the smoke."

## Coffee and jumble

MEMBURY Primary School & Pre-school PTFA are holding a jumble sale and coffee morning on Saturday, September 22nd from 10am until 12noon.

The event will be held at Membury Village Hall and will include various stalls including a cake stall, tombola and raffle.

## Young people urged to get their ideas down on paper

HONITON and District Writers' Group's 2012 Young Writers' Competition is open to those aged 5-18 who live in East Devon.

The competition is sponsored by The Gibbons Family Trust, and the mission is to write an original story of up to 750 words on any subject.

Writing group member John Carter said: "Last year's competition was a great success and we had some wonderful work from many young authors, so we know there is real talent out there.

"So come on you young writers, why not brush the dust of those imaginative ideas you have been storing up and once again show us what you can do, even if it's your first effort at writing a story, have a go."

The entries will again be judged by popular children's writer T. M. Alexander, author of the Tribe series of books.

Mr Carter added: "Sixty-three junior schools and nine senior schools are being asked to get involved, but any resident East Devon boy or girl can enter.

"Six winners will be chosen from the two junior age groups and six from the two senior age groups.

"Each will receive a signed framed certificate, a generous gift token and an author's signed book."

Entries must be in by November 10th and prizes will be presented at a reception in early December.

Stories should be sent with a title and a separate sheet showing name, age, telephone number and address, (with consent from parents/teachers) to: John Carter, Smokey House, Yarcombe, Honiton, Devon EX14 9AD.

Honiton and District Writers' Group meets at 7.30pm on the first Thursday of every month in Monkton Court Hotel, Monkton.

■ AIMING FOR A COMMUNITY FEEL: Ann-Marie and Dominic Dixon at the George Inn in Chardstock

## Cheers, say new couple at village pub

THE new landlords of The George Inn in Chardstock have thanked staff and the local community for the support given during a hectic first month.

"It's been hard work, we couldn't have gone through it without the staff and the support from the community," said Ann-Marie Dixon.

Ann-Marie and her husband, Dominic, have lived in the village for 14 years and had the chance to take over the pub six years ago.

At that time they decided against it because Ann-Marie was pregnant and Dominic was involved with building projects.

Ann-Marie has previous experience of the hospitality sector, being a former manager with TrustHouse Forte.

Dominic, however, is new to the trade but his background as a builder and property developer comes in handy for the ongoing renovation of the pub. Among other things, the whole pub is about to be re-floored with oak.

Since taking over, they have introduced a menu featuring "realistically priced traditional pub grub" with new chef Dan Passmore. There is also a children's menu, and Dominic said: "We have four children, so we

know that children don't always want the same food as their parents."

The pub used to be closed on Mondays, but Ann-Marie and Dominic say it is now business seven days a week. They want to give the pub a community feel, with local families bringing their children and dogs in to enjoy what is on offer at affordable prices.

The final touches are currently being applied to the Christmas menu, and future plans include a regular live music night and guest bitters from local micro-breweries.

## News briefs

**HONITON** Community Transport is putting on a special evening for ladies at Tumbling Weir Hotel, Ottery St Mary, on Wednesday, October 17th from 7.30pm-10pm.

Tickets are £6 and available from the Trip office on 01404 46529 or HI HO in Honiton High Street on 01404 46668. For enquiries, call Sally on 01404 548745 or Gill on 01404 45425.

A STORY in last week's Honiton *Pulman's View*, about Thelma Hulbert Gallery, contained an error.

We quoted an East Devon District Council (EDDC) report which said the gallery budget had been increased by 45.4 per cent for 2012-13.

This was incorrect. An EDDC spokesperson explained: "The sums quoted in Pounds Sterling are correct."

"The percentage should in fact be 120 per cent, so this was an error in the report. It may be worth mentioning that the debate did not turn on the percentage increase."

"Members decided to allow time for the deficit to be reduced and they were working from the correct deficit figure."

**MEET** your local Green Party Councillors in Honiton this Saturday, September 22nd.

The Green Team will be outside St Paul's Church on the High Street from 9.30am until 1.30pm. Volunteers will be selling books, plants and raffling off a delicious fruit and vegetable hamper to raise funds to stand Green candidates in the Devon County Council elections next spring.

# Support for town's food bank

## Mayor rides tax bus

A RED double-decker bus called in Honiton as part of a Christian Aid and Church Action on Poverty campaign against tax dodging called Tax Justice Bus Tour.

The bus pulled up in High Street on Thursday, September 6th and Devon organiser Laura McAdam said: "We've been thrilled at the support of all those who

have come on board from Honiton and Axminster.

"An end to tax secrecy will benefit us all and we can only achieve this by challenging the injustice surrounding us."

A spokesperson for the two organisations added: "Christian Aid and Church Action on Poverty think the system must be changed and that David Cameron should

use his global leadership to end financial secrecy, so tax dodgers have nowhere to hide."

"The bus is taking a seven week tour around Britain and Ireland as it highlights how global tax dodging is hurting the poor in the UK and beyond."

More information is available online [www.christianaid.org.uk/tax-bus](http://www.christianaid.org.uk/tax-bus).

HONITON'S Community Food Bank was shown support when members of East Devon voluntary organisations and community groups turned out for a half-day seminar run by East Devon District Council (EDDC) called Working Together for the Future of East Devon.

After the conference on Friday, September 14th councillor Jill Elson, EDDC Cabinet Member for Sustainable Homes and Communities, said it had been good to hear about the excellent work being done in our local communities.

She said: "This was a really inspiring exchange of ideas among people who have a positive attitude towards taking East Devon forward and making it a better place to live for all of us".

Representatives of voluntary organisations, community groups and town and parish councils packed into the council chamber at EDDC's Knowle offices in Sidmouth

for the annual event, whose broad aim was to improve communications between the voluntary and statutory sectors.

East Devon MP Hugo Swire visited midway through the seminar and stayed on after lunch to briefly address the 120 delegates about welfare reform, the financial challenges facing the country and the need to make it worthwhile for people to work.

He also thanked delegates for everything their organisations are doing to help the needy and vulnerable in the district.

Delegates were able to find out more about significant charity sector, health, well-being and welfare reforms that are happening nationwide, with particular reference to East Devon.

People brought with them items of non-perishable food, which were collected by organisers of Honiton Food Bank Teresa Hawkes and Steve Masters.

The King's Centre Food Bank has been working away since January and already has fed more than 450 people in the local area – in particular needy families and those with children.

Guest speakers included the director of Social Change – which provides information and training for the voluntary sector worldwide – and NHS Devon.

Delegates also had a chance to find out information useful for grants applications and were invited to comment on EDDC's draft Council Tax Support scheme.

# Book celebrates female mayor

THE achievements of East Devon's first female mayor and county councillor – Juanita Maxwell Phillips – were celebrated in Honiton during a book release event.

Viva Juanita – Juanita Phillips, Champion for Change in East Devon Between the Wars – has been written by historian Dr Julia Neville.

Honiton Senior Voice, formerly Senior Council, hosted the book release event in Honiton Methodist Hall on Wednesday, September 12th.

Dr Neville's book features more than 60 illustrations and traces Mrs Phillips's life from her birth in Chile – she was the twin daughter of rich mineral dealer Thomas Comber – to her arrival in Victorian London and her subsequent move to East Devon in 1906 following her marriage to solicitor Tom Phillips.

A NEW CHAPTER: Devon County Council chairman Jerry Brook and Dr Julia Neville

Honiton resident Tony Simpson has taken great interest in the achievements of Mrs Phillips, and he gave a talk about her life to Axminster British Legion Women's Section in April.

He said: "Having no children, Juanita's death in 1966 went almost unnoticed and her story has never been properly told until now."

"Julia has provided an inspirational record."

Dr Neville said: "Juanita Phillips is a fascinating person to study since she had such an active and extraordinary life. Her story also forms part of the 20th century history of Honiton and East Devon."

"She broke the taboo on women in public service despite facing many challenges. She was Devon's first woman county councillor from 1931."

"As a Poor Law guardian in the 1920s she supported plan with Axminster guardians to build a children's home to move children out of the bleak conditions of the workhouse. As the first woman chair of the Axminster-Honiton Guardians Committee in 1936 she strongly defended the joint committee, saying the care of the poor in Axminster meant just as much as the poor of Honiton."

"She took a particular and practical interest in Box House, Axminster's workhouse, which was re-organised to care for people with learning difficulties."

"She was sought after by many national bodies from The Electrical Association for Women to the WRVS becoming County Organiser just before World War Two."

Dr Neville is a research fellow at Exeter University and is interested in the role of women in public life.

The book will be available at Honiton's Tourist Information Centre, town council offices, local libraries and other outlets.

Book signings can be arranged throughout East Devon by calling 01392 461157 or 01404 548228.

# Plaque marks town's historic benefactors

A PLAQUE was unveiled at Colyton Cottage on Saturday to commemorate Commander George Eyre Powell and his family - former great benefactors to Colyton.

The plaque was unveiled on the family's former

By Francesca Evans  
francesca@permedia.co.uk

home by chairman of the Colyton Chamber of Feoffees, Philip Richards, and Jim Board in the absence of his brother, Sid Powell, the current executor of the Powell estate and known locally for his involvement in Colyton Social Club.

Mr Board said it gave him "great pleasure" to unveil the plaque on the Eyre Powell family's former residence. He spoke of how they were great benefactors to Colyton and said the plaque "honoured this great family's generosity."

Colyton Parish History Society member, John Cochrane, then spoke about the life of Commander Eyre Powell, born in 1790 at Great Connel.

In 1806, one year after the Battle of Trafalgar, he joined the Navy as a midshipman, serving on the Wizard, a 16 gun brig-sloop, used to capture and destroy French supply ships in the Mediterranean.

In 1809 he was transferred to the frigate Amphyon and placed in command of a tender on which he succeeded in capturing many enemy's vessels. However, when in charge of two heavily laden prizes, he was attacked by French warships and was forced to surrender.

Eyre Powell was imprisoned, first in Ancona and then marched across the Alps to Verdun. From here with two companions he

managed to escape and, after making their way to Hollan, they commandeered a fishing boat and were picked up in the Channel.

He served further in the Atlantic and Mediterranean. He was then appointed to the Victory, then the guard ship in Portsmouth and was promoted to Commander.

In 1819 he married Catherine Kingdon and they lived in Dorset before moving to Colyton Cottage in 1826. They carried out much-needed renova-

tion to the house, transforming the garden and building a large glass-fronted summer house and a grotto lined with shells.

Commander Eyre Powell, known in the town as Captain Powell, took an active part in local affairs and was treasurer of George's Meeting House until his death in 1855, under which he is now buried. He also served on the Chamber of Feoffees.

He and his wife had six children but their only son died of scarlet fever aged 17.

# Axminster Awareness Centre

## Therapist team supports the Canned Sunshine Project

THE team of Complementary Therapists at the Axminster Awareness Centre has organised a fund-raising event in aid of Axminster's foodbank, the Canned Sunshine Project.

The therapists are holding a Health and Well-being Day to promote the beneficial effects of the range of therapies they practise. Visitors can enjoy taster

sessions and see live demos of a selection of the therapies available at the Centre.

Therapists' Coordinator, Deborah Pearce, explains: "As well as enabling visitors to learn more about the complementary therapies we offer, we also hope to raise funds for Canned Sunshine through donations and the sale of tea, coffee and cake. We're also having a book stall."

"It's our way of supporting the local community, and we're looking forward to welcoming anyone who is curious about the therapies we offer".

The Health and Well-being Day is being held at the Axminster Awareness Centre on Thursday 27th September from 10am to 2pm.

## Twenty years

2012 is celebrating the Axminster Awareness Centre's 20th year. In those 20 years the charity has proudly assisted in helping over 20,000 people who have needed support. The Centre started with a handful of budding volunteers who actively engaged in supporting self-help awareness. The building was rented in 1991 and the dedicated volunteers spent one year of their free time renovating the building so it could be opened to the public in 1992. The Centre started with just a handful of enthusiastic therapists including Gillian Perrow, who has worked at the centre for over 20 years and is now the Chair of Trustees. Gillian, a trained counsellor, remembers the generosity of John Tweed who donated substantially to the charity to enable them to buy Hanover House in Chard Street, Axminster in 1994.

### The Centre

Within the centre there are six multipurpose rooms to hire, classes, a library, tea and coffee facilities and a beautiful garden. The rooms at only £6 per hour can facilitate all kinds of meetings or training. Look out for our new look rooms this autumn. Yoga and meditation are run weekly for a 'de-stress' midweek. Our library is very extensive with a wide selection of self-help books from nutrition to time management. With donations as little as 20 pence per book there is so much knowledge at your fingertips. Many people choose to make a cuppa, unwind and dive into a good book. Additionally, many people choose to come and sit in our peaceful garden to unwind. Our website [www.awarenesscentre.org.uk](http://www.awarenesscentre.org.uk) will give you all the details you need or drop us a line at [info@awarenesscentre.org.uk](mailto:info@awarenesscentre.org.uk)

### Volunteers

Volunteers are the heartbeat of the Axminster Awareness Centre as the receptionists and healers all work on a voluntary basis. Many people who come into the Centre for services find they would like to give back and without this dedication the Centre would not func-

tion. Our devoted volunteers run the reception, keep the garden and even help fundraise outside working hours. They are much appreciated and the Centre would like to thank them for all their help over the years.

### Complementary Therapies

Complementary therapies play a large part in the day to day running of the centre. These therapies have grown over the last 20 years and most can say they have had or regularly visit a therapist for physical or emotional support. 20 years ago the centre started with only 3 therapists but now it boasts a very extensive group of therapists offering: acupuncture, cranial osteopathy, counselling, Indian head massage, Hopi candles, hypnotherapy, massage, osteopathy, precision reflexology and shiatsu. Our latest complementary therapy is lymphatic drainage massage - lymphatic drainage will benefit those coping with general fluid retention, poor circulation, lowered immunity, swelling through injury, cellulite, arthritis and skin disorders reflecting congestion. Since the massage movements use light repetitive pressures, it is also suitable as a soothing stress reduction treatment. Want to know more? Why not come along to the health and Wellbeing day on the 27th September 10:00am – 4:00pm and meet the therapists. Enjoy relaxing tasters or have your blood pressure checked or just check out what's new.

### How the Centre can help you

Although things change over the years the ethos of the Centre has always been about the visitor experience. Many people can find it very difficult in times of illness or in periods of change. The support offered by the centre can range from physical support such as back problems, headaches, muscular discomfort, posture, stomach issues to cancer and hidden illnesses. Although important, many forget about the impact the mind has on our daily lives and so therapies can also help with issues like stress, relationship breakdowns,

depression or phobias. If you think you may be suffering from some kind of physical or emotional stress, come in to the centre and see what our therapists can do for you.

### Canned Sunshine

More recently the Axminster Awareness Centre has been going out into the community by the start of a lottery funded food bank project. The project, Canned Sunshine, aims to meet the needs of an ever increasing sector of the public who find it difficult to make ends meet. You may have seen us out and about, should you like to support, have a spring clean of your cupboards or pop into the Cooperative and donate food, Canned Sunshine would be over the moon. The project is lottery funded and was awarded nearly £8,000 to get the project off the ground. This winter will see the start of a youth farm to accompany the project to achieve sustainability.

### Healing

Healing is an Integral part of the Centre's wellbeing hub. We offer a drop in healing sessions on Monday mornings and Tuesday and Thursday 10am-4pm by donation. Healing sessions can also be made by appointment when necessary. Healing is a fully clothed session which can be done sitting or lying down with hands on or off. The basis of healing is for the person to relax so that the body can rebalance its energy. The centre also offers healing course to train new healers or to update skills. A great experience if you are in

### Friday Night talks and the weekend programme

Fridays offer talks which have been running for over 20 years before the charity was established offering a wide variety of interest. The talks are a good way to explore and spark interest – who knows – you may have a hidden talent you never knew you had. In addition, there are weekend courses for training and information from healthcare, ghost busting and how to make your home into a safe sanctuary. Autumn programmes are now out and can be picked up from the Centre.

### The Future

So what's next for the Centre? The Centre has a huge wish list and through the help of the community we are hoping to initiate a cancer support service this autumn, have many more charity events, an international group and a drop in clinic for minor ailments. The Centre is growing all the time and we would love to hear from the community on their views on how we can help them. As a charity we would like to give back to the community who has backed us all these years. Have your say and please let us know what you think is missing in our community. Our door is always open and we welcome new and old alike.

### And Finally

The Centre prides itself on being open 5 days a week for anyone would like to drop in for complementary therapies, healing by appointment, general advice on self-help or simply for a cuppa and a smiling face. The centre is open to all ranging from babies upwards; you're never too young or too old to experience something new. With a self-help library which has been built up over the 20 years, we have one of the most extensive libraries in the area and it's only by donation. The Axminster Awareness Centre strives to engage, stimulate and enhance the mind, body and soul of each individual who visits the Centre. If you

feel this has informed you, why not pop into the Centre, hire one of our multi-purpose rooms, volunteer or continue your journey with us. Call us today on 01297 32331

# How many more collisions will it take?

■ LAST Thursday, yet another serious vehicle crash occurred on the A35 at Kilmington; this time requiring the call-out of the air-ambulance.

This stretch of highway must be one of the most potentially dangerous in the area. Consider this – the main road is bounded by a popular public house, and an extensive vehicle service-station area.

The crossroads, where drivers and pedestrians take their lives in their hands every time they approach, serve a busy farm shop in one direction; and Kilmington village, its hall, school and shop in the other.

All these establishments create traffic, adults and children; and all have to live with danger each time they approach the A35.

And what have the traffic authorities done about

this obvious 'black spot'? After much deliberation they decided to cut the approach speed limit from 60 to 50 mph. Big deal!

The effect on the overall traffic speed has been negligible, and when you are faced with a 40-ton articulated truck hurtling down the hill towards this area of population and rural activity, anything can happen – and occasionally does.

This situation should just not be allowed to continue. A police spokesman tells me that there is nothing to stop a speed limit being reduced from 60 to 40, even 30 mph in one fell swoop, if the occasion demands.

Take the village of Wilmington, a few miles away up the same road. The place, and its people, are protected by 40 and 30 mph speed limits, and yet it

and a half of 'me' would require 17000KWh of energy at about £1,000.

Thus, even if no further maintenance costs were required, it would still require 27 years to get my money back – not a very enticing prospect!

BUT what about the £2,600 annual repayments? That is a subsidy, required because nobody

would invest in a 27 year payback project and where does it come from? That's right, you and me, the taxpayer, so the more panels that are installed, the more we pay to support the subsidy.

Seaton Hospital may be leading but this is one path I will not be following.

Mik Sansom  
BA. (Eng. MIED.)

## Solar is long term investment

■ WITH reference to the front page story in last week's *Pulman's View from Seaton* on the installation of solar panels at Seaton Hospital, I see that a £27,000 investment is predicted to generate 17,700KWh of electricity per year.

Over the last year, our well insulated, three bedroom 'semi' has consumed 11,500KWh of energy at a total cost of £690, so about one

### MUSBURY & WHITFORD WI

THE September meeting was held on Tuesday, September 11th at Whitford Village Hall. Apologies were taken and birthday posies given.

At this point the club usually welcomes the speaker, but unfortunately she was stuck on the motorway, so the meeting continued with business.

The Devon Federation of Women's Institutes has listened to pleas, and a resolution discussion meeting will take place in Sidmouth on Tuesday, November 27th at the Manor Theatre from 10am - please make an effort to attend this.

The autumn group meeting will take place at Seaton Methodist Centre on Wednesday, October 24th at 2:15pm.

The club received a thank you card from Axe Valley Wetlands for the cakes baked for their open weekend.

Smarties tubes are now available from Joy for the 20ps for the charity. To raise money for the club's funds, there will be sales table at the November meeting, with the suggestion of a Christmas theme. A sales table at future garden meetings has also been suggested.

The club then heard the treasurer's report - all is well - and then the birthday lunch location was discussed.

The speaker, Ann Holden, then gave her talk on the History of Hats. This was very interesting as she creates hats and had brought along some beautiful samples, which were modelled by members. She was thanked by Bee Sammons.

The next meeting is the Harvest Supper at Whitford Village Hall on Tuesday, October 9th at 7pm.

### SMEATHARPE WI

SMEATHARPE WI gathered, as usual, on the first Thursday of the month in Smeatharpe Village Hall.

The guest speaker for the meeting was Bob Adams, who gave an interesting talk about beginning Family Research.

Bob was very lucky to inherit a large number of early family photos, a family bible, furniture and paintings, which really helped him to get a picture of the life and times of his ancestors.

He explained the various sources that could usefully be employed and gave examples of what could be found out from his own family documents.

He gave encouragement about what could be found, but also warnings of how you could be diverted down the wrong path.

Research is now much easier with the coming of the internet, which allows easy access to the census record from 1841 to 1911, and a large number of sites which give birth, marriage and death records.

The competition winner, 'My famous ancestor', was Sue Little. Teresa Summerhayes had the Flower of the month.

October's meeting will be a 'Bring and Buy' and Kathy Popham will demonstrate paper flower making, which will enable members to make decorations for the October celebration.

### AXMINSTER PROBUS CLUB

IT USED to be the custom for new members of Axminster Probus Club to give a five minute introduction of their lives for the benefit of their fellows.

This has now been superseded because of the rich experience of so many of them.

For the September meeting it was the turn of David Jenkins. For 23 years a principal design engineer of aero engines for Rolls-Royce at Filton, Bristol, he worked on many of the iconic engines used in defence.

The only aircraft which was not military was Concorde and he gave an account of its development and also explained the circumstances which led to its withdrawal from service.

Once again the members' eyes have been opened by demonstration of the fulfilling life and experience of one of their fellows.

The Axminster Probus Club for retired and semi-retired business and professional men meets at the Kilmington Cafe, Bistro and Motel on the A35 at Gammons Hill on the first Tuesday of each month.

# country scene

Written by countryside correspondent  
TONY JACKSON

## Poor harvest

WILL this, I wonder, be one of the worst harvests for years? Even as I write, towards mid-September, there are still fields of standing corn waiting for the combine.

Two fields away from my office a three acre field of barley is still standing but barely worth the time, effort and money in terms of yield. There is virtually no corn in the heads, or what there is remains stunted. I spoke to a farmer friend who has just completed cutting a substantial acreage of wheat, but the yield and quality is poor.

The natural hedgerow harvest is also disappointing. Where last autumn I picked pounds of sloes to make sloe gin or vodka, this year I have yet to see a single sloe, and while a few blackberries have ripened, the majority remain stunted, hard and red.

Nor have I seen any elderberries to speak of, so, all in all, the wretched summer and lack of sunshine seem to have wreaked havoc throughout the countryside. Perhaps, though, there will be compensation by way of a wild mushroom harvest.

The countryside is now turning autumnal. The fresh greens of early summer have turned darkly dowdy and leaves are crisp and browning. However, it seems that we may be in for a colourful autumn, as a result of the rain and recent sunshine.

Small enough compensation, however, for the dreadful summer. The only beneficiary, however, seems to have been rabbits! Myxomatosis struck in my area last year, reducing the abundant coney population to a tiny handful of survivors.

However, young and well grown rabbits are now to be seen on all sides, perhaps the result of enforced underground incarceration to avoid the rains! However, they are welcome as I thoroughly enjoy rabbit casserole or stew!

Now, I see that the Blackdown Hills Heritage Day is being held on Saturday, September 29th when 2,000 years of history will come to life. Free family events will be taking place across the Blackdown Hills, including an Iron Age experience and medieval pot making.

From 10am to 4pm, you can browse displays at Throgmorton Community Hall in Dunkeswell, including a hi-tech "fly" over the ancient landscape and view archive photographs and historic maps, while in the afternoon there will be a chance to experience life as a member of the Iron Age Dumnonii tribe at Newhaven Farm, Whitestaunton where archaeologist Mark Cox will show how local tribesmen turned iron ore into metal.

There will be guided visits to Dunkeswell Abbey and Castle Neroche, while visitors can also look at local building and agricultural traditions during a walk round Stockland. For full details go to [www.blackdownhillsaonb.org.uk](http://www.blackdownhillsaonb.org.uk) or call Katherine Findlay on 01823 681933.

Dorset Wildlife Trust's Upton Heath keeps popping up in the news. Readers may recall that a third of this important 500 acre site was devastated by arson, but as a result of generous donations from the public, heathland plants are already returning and, in order to assist the three Shetland cattle which are helping to keep the vegetation in check, a brace of rare British White cattle have joined the team.

The cattle, as a breed, go back hundreds of years but, due to a decline in numbers, are now listed as a minority breed. Three more British Whites, bought by DWT in partnership with the Borough of Poole, will add to the herd in the winter.

Grazing is the best way to manage and restore this rare habitat and will help to reduce vegetation susceptible to fire. The cattle are all dog and people-friendly but must not be fed or worried by dogs.

**TAE kwon-do instructor Gerry Waugh grew up in Scotland and moved to Devon in the 1980s, and to Axminster three years ago. Having trained in the martial art at local classes, Gerry became a full-time instructor last year and holds his own classes in Axminster, Sidmouth, Charmouth and Bridport. He is married to wife Vanessa, who helps with the admin side of his classes, and they have a 21-year-old son, Robbie, who is currently at university.**

● **HOW did you become interested in tae kwon-do?**

I had dabbled in other martial arts, first judo as a young child and then karate as a teenager, but I didn't stick with them. I discovered tae kwon-do at a TAGB demo in Honiton in the 1990s.

The instructor at the time, Daren Sainsbury, put on a demo, which fascinated my son, but he was very young at the time and nothing came of it immediately. He didn't mention it again for a few years until he saw a neighbour going off in a "dobok" (tae kwon-do uniform) and then he asked to join.

We enrolled him in the classes and, as there are some similarities to karate, at least in the basics, I was able to help him at home for a while. But, as he moved through his first few belts, the differences became obvious and I was out of my depth, so I joined too.

By that time, he no longer needed my help and I was doing it for myself. I have never regretted it. Obviously, as my son started training first, he got his black belt before me, but I have very much enjoyed training alongside him.

As well as being a tae kwon-do instructor, I am also a qualified tournament referee and officiate at competitions all over the country.

● **WHERE did you train?**

Originally in Honiton, and also at other classes. Mr Sainsbury used to run three classes in Honiton, Axminster and Colyton and I trained at all of them. A few years ago, he passed Honiton to Chloe Lock, who ran the Broadclyst class already and she still runs both. Later, after I qualified as an instructor, he passed the Axminster class to me. He still teaches at Colyton and that is where I train now.

● **TELL us about your tae kwon-do classes...**

Apart from Axminster, I also teach in Sidmouth, Charmouth and Bridport. Adults and children train together and we have quite a few family groups, which pleases me, as I originally trained with my son. I think it helps to have someone at home who shares the interest, so I offer a discounted training rate for family members training together.

All my classes are part of the Tae Kwon-Do Association of Great Britain (TAGB), which has been around since 1983. There are more than 600 TAGB schools in the UK, with around 20,000 students training.

● **WHY would you encourage others to take up tae kwon-do?**

Certainly for fitness and flexibility. When I started, I was in my thirties and had a very sedentary office job. I was overweight, very unfit and extremely inflexible – I could barely kick above knee height.

Anyone, with enough dedication and effort can go from that as far as they want to take it. For the kids, it also brings confidence, respect, discipline, coordination and good mental focus.

● **DO you think the Olympics has inspired others to get involved in the sport?**

I certainly hope so. I hope it has inspired a whole generation to get more physically active. As I said, however, tae kwon-do is much more than just a sport. Anyone who wants to try it out is welcome to come along for a couple of free, no-obligation trial sessions. You can find out more at [www.targettagb.co.uk](http://www.targettagb.co.uk) or call me on 01297 639830.

● **WHAT are your other personal interests?**

Tae kwon-do takes up most of my time but I also love music. I have only limited musical ability, but I like to try to write songs. There are lots of open mic sessions in several venues around this area and they are a great place to try out new material.

Nobody is judgemental or critical – we all just share in the experience and support each other. Those nights are a lot of fun. I also freely admit to being a computer nerd.

● **WHAT do you like about living in this area?**

The Devon and Dorset coastlines are amazing. Millions of people come here on holiday just to see them. Even travelling between my classes several times a week there can be times

## Pulman's View from the churches

With NIGEL SPELLER

FATHER Michael Koppell opens this week. Autumn is one of my favourite times of the year, this 'season of mists and mellow fruitfulness,' as Keats once called it. It's a time when people's minds naturally turn to the harvest – the harvest of crops and fruit and vegetables. But we mustn't forget that there's also another harvest – God's harvest, we are that harvest.

Yes, there's a long tradition in the scriptures of describing God's people in those terms. In the Old Testament, the prophet Isaiah spoke of the people of Israel as a vineyard which the Lord had planted and had cultivated with all possible care. And then in the gospel, when our Lord sent out 72 of his disciples to go ahead of him to all the places he was to visit, these were the instructions he gave them: 'The harvest is rich, but the labourers are few, so ask the Lord of the harvest to send more labourers to his harvest.'

The Church of England has in past days been making its own headlines. In the next few weeks the name of the next Archbishop of Canterbury is due to be announced and it has been suggested that in future an additional post should be created to assist with some of the tasks of the Archbishop for Anglican Communion affairs, especially overseas.

In the meantime the House of Bishops meets to discuss the next steps relating to women bishops. Archbishop Rowan has also launched a book entitled *Faith in the Public Square*, comprising a collection of his lectures over the past decade.

Other news of interest is that the BBC Head of Religion has just announced that Christians will continue to dominate the regular *Thought for the Day*, and that *Songs of Praise* will remain a Christian programme and not be multi-faith.

Seaton Parish resumed the Freedom Café on September 15th, and the next date will be October 20th. Mothers' Prayers for parents, carers or child minders will next be on Wednesday, September 26th at 8pm in Seaton Church.

The Honiton Food Bank, run at the Community Church at the Kings Centre, is anxious to receive gifts of food – call Jill Spring on 01404 45661 for more information.

Opportunities to Praise God Together in Honiton are announced for the Church of the Holy Family on Sunday, September 30th at 6:30pm and at the Baptist Church on Sunday, October 21st at 6:30pm.

Southleigh Parish Church are holding Harvest Festival on Sunday, September 30th at 11:15am – all are welcome.

when I can turn a corner and catch a view that takes my breath away.

● **WHAT would you add to or change about the local area if you could?**

"If it ain't broke, don't fix it" is the saying that applies. I love it here, so why change anything?

● **WHAT three items would you want if stranded on a desert island?**

My wife, my son and a crate of sun cream. I'm a Scot, we're not genetically designed for sunshine!

● **WHERE is your ideal holiday destination and why?**

I love to visit France. I've been there many times, although not for a couple of years. I lived and worked on the Swiss/French border for a while several years ago.

I love the French way of eating out – a meal is about much more than just the food. It is a social experience. The pace of life, even in some of the cities, is more laid back and it is really nice to fit in with that for a while.

### Dove Court Care Home

DOVE Court is a beautiful care home set high up on the hillside with stunning views looking over the Axe valley towards Axmouth and out over Lyme Bay. Inside, the home is warm and welcoming with a friendly and caring atmosphere.

The staff at Dove Court are caring and compassionate and prepared to go that little bit further when required. The aim of the staff is not just to support the residents with their basic physical needs but to also provide fun and friendship with the social calendar becoming more important and varied as time goes by.

Moving into a care home can often be seen as the beginning of the end, whereas at Dove Court we like to see it as a new beginning. Gone for our residents are the mundane daily chores of cooking and cleaning. Gone are the lonely days where you are isolated and alone. At Dove Court our residents can use their energy enjoying the freshly prepared meals with no need to do the washing up at the end! Our residents can enjoy going out and about in our very own 'Dove Bus' with no need to worry about driving or parking. Recent trips in the Dove Bus have included trips to Otter Nurseries, Charmouth beach, the Umboorne Fete, Connaught Gardens in Sidmouth, the Donkey Sanctuary and the Memory Café amongst others. Our residents can enjoy entertaining their own guests with refresh-

ments being provided by staff so all the resident has to do is sit back and enjoy their visitors' company.

There is a varied social calendar of activities that happen within the home including visiting retailers, musicians and of course the well loved donkeys from the Donkey Sanctuary. Dove Court has

its own activities organiser who is always open to further suggestions. Activities can be for individuals or for groups and involvement in activities is the choice of the resident. Our residents' individual wishes and desires are always of the utmost importance.

The home itself has recently been expanded. The

new extension provides 15 new en-suite rooms, eight of which are larger 'Garden Rooms' with a door leading on to their very own patio. The extension has also provided a new fully fitted kitchen, assisted bathrooms, a large conservatory and extended terrace that provides the perfect spot to sit and enjoy those beautiful views over Lyme Bay.

### Thistlegate House

IT is the uniqueness of Thistlegate House that sets it apart from all other Residential or Nursing care establishments, and it is this same uniqueness which is carried through to the philosophy of care which recognises that we as individuals are all unique and therefore wish for our care to be provided in a unique manner. This requires excellent understanding and communication from the care team that has been hand picked by the owners of Thistlegate House for their experience, professionalism, qualifications and not least their empathetic caring nature, dedication and excellent communication skills which are vital in providing individualistic care of this nature.

#### So why choose Thistlegate House? perhaps:-

- For the unique "Arts and Crafts" design which remains virtually unaltered from the original architects vision and therefore maintaining the calm relaxed ambience of a fine elegant country residence.
- For the idyllic elevated South facing position of Thistlegate House which affords exceptional views over the surrounding countryside and across to Lyme Bay.
- For the four acres of formal, landscaped, natural and kitchen gardens which may well have been originally designed by Gertrude Jekyll and included a terrace wall of open brickwork, a sunken parterre rose garden and pergola.
- For the spacious accommodation which is traditionally decorated with soft furnishings that in-

cludes bespoke Axminster carpet together with fine bespoke oak joinery.

• For the not one but two qualified registered managers with approaching thirty years experience who are also the "live in" owners which ensures that the very highest possible standards of care are maintained at all times.

• For the excellent dedicated hand picked care team whose qualities include not only professionalism, qualifications to RGN level but also an empathetic caring nature and excellent communication skills.

• For the excellent traditional menus prepared by our professional chefs whose past experience have included preparing evening dinner for high ranking members of our Royal Family.

• For the pleasantly surprising fee levels which reflects the Thistlegate House philosophy that the very highest possible standards of care should be available to all.

We believe that Thistlegate House can only be truly appreciated by a personal visit, therefore should you wish to arrange an appointment please contact Mrs. June Webb on 01297 560569.

## Britain's Got Talent finalist to entertain on the UK's oldest wurlitzer

BRITAIN'S GOT TALENT finalist, Jean Martyn, is all set to entertain on England's oldest Wurlitzer Cinema Organ on Saturday, September 22nd

WONDER ON THE WURLITZER | Jean Martyn

at 2.00pm.

The Wurlitzer organ has been located at Beer's Congregational Church for the last 55 years and was previously used at The Picture House in Walsall. Jean's show will be far from ecclesiastical in nature, as she moves effortlessly from Jazz to Classical, Big Band to Broadway, and from 40's Swing to Military Marches. Her variety is endless.

Studio audiences and TV viewers alike rocked and cheered as Jean Martyn bounced her way into the final of Britain's Got Talent last year. With her bubbly personality, it is fair to say that Jean captured the hearts of the nation. Picking up positive praise from the BGT judges, Jean is now known as the nation's favourite entertainment organist.

Immediately after the final the BGT National Tour started, and Jean thrilled audiences the length and

breadth of the country. Since appearing on Britain's Got Talent, Jean has received huge support and interest, including an interview on ITV's This Morning programme with Philip Schofield, a feature on the Songs of Praise Mother's Day edition, and St James's Palace to an audience which included HRH Princess Anne, Esther Rantzen, and Rolf Harris. Jean is the only female organist to have recorded on the famous Blackpool Tower Wurlitzer in the last 50 years. To quote one daily newspaper: "Jean is a national treasure".

Jean Martyn's show in Beer is certainly one not to be missed. More details can be found on the website [www.beerwurlitzer.co.cc](http://www.beerwurlitzer.co.cc)

Admission to the show is just £6.00 which includes interval refreshments, and is in aid of the continued refurbishment of England's Oldest Wurlitzer Cinema Organ.

## Laughs galore at Axminster comedy night

A NIGHT of live stand up comedy comes to the Axminster Guildhall this October starring some of the UK's top new talent.

Headlining the show, on Friday, October 12th will be the hilariously funny James Alderson who delights audience of all ages with his tales of family life and getting older. James has rocketed up the comedy charts since starting out two years ago but has been hailed as one to watch for 2012 by promoters all over the UK. He recently returned from a tour of Mallorca and has also just clinched his first major TV appearance on Channel 4 in the Autumn.

Opening the show will be rising star of

Welsh Comedy Matt Rees. In his short time on the circuit Matt has clocked up appearances in the final of almost all of the country's top stand up comedy competitions, adding a few titles to his trophy cabinet along the way.

Having just returned from the Edinburgh Comedy Festival Matt is on fine form, and his laid back delivery and quirky take on life is sure to endear him to even the most frosty of audience members, making him the perfect act to kick off any comedy night.

Joining Matt and James will be relative newcomers Wayne the Weird and David Hannant. Wayne the Weird combines the

skills of comedy and magic perfectly and will have any audience laughing and gasping in equal measures. Former Devon lad David Hannant will be returning to his home county for the night sharing his tales of life as a country boy in the big city.

Keeping everything together will be local comedian Tom Glover, regular MC at the Bridport Arts Centre Comedy Cafe and Swanage Comedy Festival New Act of the Year 2012. As MC Tom will be guiding the audience through the night, chatting with the crowd, introducing the acts and sharing a few tales of westcountry life along the way.

Photo by Christian Steiner

## Andreas Boyde returns to Honiton

NICKNAMED "Monsieur 100,000 volts", distinguished pianist Andreas Boyde returns to St. Pauls, Honiton on Saturday, September 29th, at 7.30pm to give what promises to be another 'night to remember' in a recital sponsored by The Joanna Leach Foundation in aid of Hospiscare.

Playing a Steinway 'D' Concert Grand hired for the occasion, Andreas is to play three wonderful works that demand the highest technique coupled with inspirational playing: Schubert's Wanderer Fantasie, Ravel's Miroirs, concluding with Pictures at an Exhibition by Mussorgsky.

His CD of the first two works,

recorded for Athene Records with Joanna Leach as producer, received 5-star acclaim: "Again Boyde's interpretation reaches beyond virtuosity to let the music speak through the contrasts realized in the clarity that his remarkable technique permits." – Fanfare. "An artist that can convey this level of communication coupled with such consummate skill and breathtaking ability is destined to become famous and rightly so." – Music Web. This recital promises to be another, not to be missed, "breathtaking" experience.

Tickets are currently on sale at the Honiton TIC and will be available on the door on the night.

## MARLE GALLERY EXHIBITING ELEMENTAL

THE Marle Gallery in Axminster is currently exhibiting Elemental - A Two Man Show. Nature and the elements, both of landscape and the human form, are central to the work of Molly Garnier and Michael Sole.

Molly Garnier is well known for her small smoky oil paintings of the female nude. Since moving to her native Norfolk, she has been inspired to paint the coastline capturing the distinctive, slightly bleak colours of that very particular seascape.

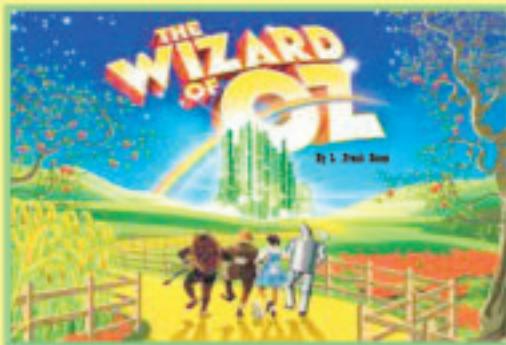

Michael Sole is captivated by the whole sensory experience of sea and sky. Michael responds to the natural energy of his subject: big seas are portrayed with a physical and confident painting technique enabling the viewer to place himself at the centre of this sensory experience of the world in its most elemental form.

The exhibition runs until October 30th at The Marle Gallery, Axminster.

## MUSBURY - £379,950

FOR anyone planning on moving to this lovely part of the country, the whole Jurassic coast area is high on the list of preferred locations. Many want to be within easy reach of the coast and most people are looking for an interesting property with character in a good location without the drone of road noise.

In these days of uncertainty, many buyers are reluctant to commit themselves to anything other than the perfect property that ticks all their boxes. However, so often that perfect property just does not exist and buyers end up spending a long time in rented accommodation just waiting for the right one.

Perhaps then, it is time to think outside the box a bit and consider the benefits of what is available after all? Take this property for example, it certainly has an abundance of character and is in a good village location with little road noise, being set way back from the main road but it is also convenient for easy access to the coast (just 3 miles away) and the market town of Axminster with rail links to London Waterloo (about 2½ miles away). There are facilities within a short walk (i.e. for milk, bread etc) and beautiful countryside with great walks on the doorstep. Musbury village has a primary school and a thriving community, with events to become involved in or just enjoy.

The house has been the village post office and shop for many years. However, due to poor health, the owners are giving up and the property has been granted planning permission for change of use to residential.

The accommodation is well presented and currently comprises three bedrooms, bathroom, first floor sitting room, dining hall, kitchen and breakfast room but the extensive shop and post office premises can now be added to the accommodation to form a substantial home, which could provide four bedrooms and three or four reception rooms depending on how it is altered – it just needs a little imagination! The most surprising additional bonus to the property is a very large stone barn currently used for garaging and storage. There are several options for this, maybe convert to use as an annexe or holiday let (subject to PP of course) or perhaps garaging or hobby space. As the pretty walled courtyard garden is not huge, it may just provide an extension to the garden – a great place for children to play during wet weather.

The property is Grade II Listed and is offered to the market with an guide price of £379,950. For more information or to book a viewing, please call Gordon & Rumsby on 01297 553768.

# SPOTLIGHT ON MY SERVICE

## Head to Feet

I first started caring for peoples health in the sixties when I did my S.E.N nursing training in Sheffield.

The real introduction to Complementary Medicine was when my second child became ill, and it was only osteopathy that helped her. About the same time a friend of mine was having trouble with her back, she asked me if I could massage it for her, as I seemed to have healing hands, I was able to give her a lot of relief, being in a lot of pain at the time. I became more and more interested in Complementary Medicine and was able to help my friends and family even more.

It wasn't until we came down to live in Axminster, I was working as a Care Assistant in a Dementia Care Home, that I decided to take a course or 3 with the "School of Natural Health Sciences" in Reflexology, Advanced Reflexology", and "Indian Head Massage". I was an A student. I became a member of the "International College of Holistic Medicine". As Indian Head Massage consists also of back and shoulder massage [as well as neck head and face] with or without oils I am able to continue with Back and Shoulder massage as a separate therapy if required. I am able to work from home including home visits, and care homes. Treatments usually last about 1hr. and includes perfumed candles and soft relaxing music.

Reflexology is massage of the body as a whole through the feet or hands. As with Indian Head Massage it relaxes and stimulates the whole body, thus allowing it to work better. Allowing me to help each client with their own individual needs.

As I am also a carer at home I have been able to realize how important these therapies can be.

## New Generation i30 three-door to debut at 2012 Paris Motor Show

- Third member of New Generation i30 family to broaden range's appeal
- Dynamic styling incorporates new front, side and rear design features
- Designed, engineered and manufactured in Europe, for Europe

AHEAD of its world debut at the 2012 Paris Motor Show, the New Generation i30 three-door has today been revealed. The third member of the New Generation i30 family, the three-door joins the five-door hatchback and the Tourer to extend the broad appeal of Hyundai's 'made for Europe' C-segment range to an even wider audience.

Central to the appeal of the three-door is its distinctive, sporty styling. Incorporating Hyundai's 'fluidic sculpture' form language, the new model's sharply-raked beltline, more angular glasshouse silhouette and longer front doors provide it with a more dynamic profile, and the effect is enhanced by changes to front and rear styling.

A new, black-finished mesh insert and central bar accentuate Hyundai's hexagonal grille, which is flanked by new, sportier fog lamp clusters consisting of round spots connected to LED daytime running light strips. The mesh treatment is continued in the clusters, and the front-end design is completed by a newly-profiled lower bumper.

At the rear, the remodelled lower bumper area includes new horizontal, sculpted fog lamps that contrast with the upright units of the five-door. These lights and a new black insert at the bottom of the bumper create the impression of a wider, sportier rear design. Exclusive 16-inch alloy wheels complete the exterior transformation.

Allan Rushforth, Senior Vice President and Chief Operating Officer of Hyundai Motor Europe, said: "The New Generation i30 three-door has been conceived solely for Europe, and will strengthen Hyundai's presence further in the segment where we have seen our greatest success since 2007. Just as important, its sporty looks – offering a fresh interpretation of fluidic sculpture – will generate greater brand awareness and enhance consumer perceptions of Hyundai in Europe."

New Generation i30 three-door retains the positive characteristics of the five-door, providing high standards of quality, equipment and comfort. Drivers will experience Europe-tuned ride

and handling, and can alter the settings of the FLEX STEER system to change steering assistance depending on their preference and prevailing conditions.

The New Generation i30 is offered

with a choice of four engines and five power outputs, together with six-speed manual and automatic transmissions. The highlight of the powertrain range is the 'U-II' 1.6-litre diesel engine, generating 128PS yet emitting only 97g/km of CO<sub>2</sub>. Together, these figures deliver the best power-to-efficiency ratio in the segment.

The New Generation i30 provides the best evidence yet of Hyundai's commitment to producing cars in Europe – combining the design and engineering expertise of the team at Hyundai's European R&D Centre in Germany with the proven manufacturing excellence of the company's Czech factory.

Buyers of the New Generation i30 will benefit from 5 Year Triple Care, comprising a five-year unlimited warranty, five years' roadside assistance, and five years of vehicle health checks.

The New Generation i30 three-door will be officially unveiled at the 2012 Paris Motor Show during the company's press conference at 17:00 (CET) on Thursday 27 September 2012, on the Hyundai booth.

## New entry-level models broaden Volkswagen Beetle's appeal

Volkswagen has today added two more engine derivatives to the Beetle line-up, thus completing the range and not only lowering the entry-level price by over £1,400, but also reducing the entry-level carbon dioxide emissions value. This means the eye-catching hatch has additional appeal for not only style-conscious buyers, but also those looking for a high value and environmentally-friendly vehicle.

Available to order from Volkswagen Retailers from

today and ready for delivery to customers in January 2013 are the 1.2-litre TSI 105 PS with a six-speed manual gearbox (joining the DSG version of the same powerplant) and the 1.6-litre TDI 105 PS with BlueMotion Technology which is offered with either a five-speed manual or seven-speed DSG transmission. Both entry level models are available in entry-level 'Beetle' or 'Design' trim.

The entry-level 1.2-litre TSI with manual gearbox is priced at £15,195 (RRP OTR), which

is £1,405 less than the current starting point for the range (for the same 1.2-litre engine but with a DSG gearbox).

Likewise, entry-level carbon dioxide emissions are lowered by 12 per cent to 113 g/km thanks to the addition of the 1.6-litre TDI engine with BlueMotion Technology modifications. As well as bringing lower CO<sub>2</sub> values and a combined mpg value of 5.7, the addition of this smaller engine lowers the threshold for diesel-powered Beetle ownership by over

£3,000, with the 1.6-litre TDI costing £17,030 (RRP OTR).

The Beetle was launched in the UK in March, with just one engine and trim level available. Since then a raft of new models have been added, with the latest two entry-level engine and gearbox combinations completing the range. Three standard trim levels – Beetle, Design and Sport – are now available, as well as the range-topping Turbo Black and Turbo Silver special editions. Customers can now choose from three petrol engines – a 1.2-litre TSI 105 PS with manual or DSG gearbox, a 1.4-litre 160 PS with manual transmission and a 2.0-litre 200 PS with manual or DSG gearbox; and two diesels – the 1.6-litre TDI 105 PS with BlueMotion Technology (Stop/Start and battery regeneration added) and the 2.0-litre TDI with 140 PS.

All Beetle models can be ordered now via Volkswagen Retailers across the UK, with details available on [">www.volkswagen.co.uk/beetle](http://www.volkswagen.co.uk/beetle).

#### GERRY HARTLEY TROPHY

This month's Stableford had the added attraction of playing for the Gerry Hartley Trophy, and although players in Division 2 competed hard for success, with three players finishing under par, it was Division 1 player Ed Reece who took the honours with 41 pts.

Runners-up in Division 1 were Ron Graham (35pts) and Alan Pollock (34).

The three Division 2 fighters were Tim Welch (39pts), Sam Bowyer Thornton (38) and Mark Fowler (37). No name on the

board for this one but a lovely club trophy to win.

#### SENIOR SECTION

After being called off the course last week due to the mist, 68 Seniors enjoyed a full round playing a team Stableford event in spite of the drizzle.

The format did not meet with universal approval! One score counted on the par 4s, two on the par 3s and all three on the par 5s.

The runaway winners were Ted Chandler, Robin Mitchell & Ray Cross with 57 points, beating the rest of the field by two clear shots.

Runners-up were Andy Sharland, John Bevan & Phil Faulkener.

A count back was needed for third spot which was taken by John Dickinson, Keith Thomas & Alan Booth with the last prize going to Pat Purcell, Fred Thomas & Howard Pritchard.

#### AXE CLIFF with Janet Dack

#### LADIES SECTION

Last Friday the Ladies of Axe Cliff welcomed a host of ladies to their Open.

This took the form of a Stableford competition, full handicap in teams of three with the two best

scores to count.

The winners, with 73 points, were from Camedown - Ada Ford, Mary Catterkey and Margaret Allen. Second place went to a trio from Yeovil and Sherborne namely Rosemary Bickham, Hannah Jacobson and Esma Woods with 71 points.

In third place - Sue Slade, Phyl Lewison and Gill Magrath with 69 points. The prizes went up to 8th place with the only two Axe Cliff home players to gain a prize were Helen Kenworthy and Alison Cook in 5th and 6th place.

Nearest the pin for the visitors

went to Margaret Allen from Came Down.

The longest drive for the silver players went to Diane Gough from Taunton Vale and in the bronze division to Brenda Hyde from Honiton.

Last Wednesday the ladies competed for the EWGA Medal combined with the Lorraine Cup which was eligible for any ladies who had won a Medal in the previous year.

Winner of the Medal was Alison Cook with Sandra Walker retaining the Lorraine Cup for another year.

## Netball Honiton League

# Signs are good for new team

THE winter season got underway with big wins for Flamingos and OPG and defeats for newly promoted Weather Girls and Tip Top Trees.

With Tracey Moran in great form at centre for OPG the young 3Ts side found the going very tough. It was a baptism of fire for their first game in the top flight. Hayley Spiller in particular gave a good account of herself, whilst the youngest player in the league, Molly Simpson [14] acquitted herself well.

OPG got off to a barnstorming start and had a 12-1 lead at quarter time - from there they didn't look back and ran out winners by 57-4.

Flamingos had a tougher game against Uplowman, for whom Jules Heal played well. At quarter time it was all square at 7-7, but by half way the Flamingos, with Trish Warwick in fine form had a 20-13 lead. Despite working hard Uplowman could not get back in touch and Flamingos finished the game winners by 37-20.

The third game of the night saw another newly promoted team in action. This time it was Weather Girls, back in the top flight against Signs South West.

The start of the netball season has seen a new name and sponsor for one of the teams in division one.

Seaton based sign-making firm 'Signs South West' who this year celebrate their 10th anniversary designing, manufacturing and installing signs throughout the region

(<http://www.signssouthwest.co.uk/>), are the latest company to support the Honiton league. The team formerly known as Bo-Peeps now play under the SSW banner.

The game was a close affair with Debbie Wheeler playing well for SSW and Charlie Sanders doing well for Weather Girls.

Signs South West were delighted to learn that the team secured a win in their first match of the season (22-20) and wish them all the best for their future games.

Division Two has 2 new teams in its ranks - Otter Valley Dairy and Water Babes. OVD were up against Pixies and, despite hard work from the team and in particular Charlotte Brown, the Pixies proved too strong winning 24-5 with Flic Elliot in good form.

Hi Q were back in division 2 and up against Sidmouth Toucans. The game got off to a close start with Hi Q edging the first period 8-6, before building a 21-11 lead thanks in part to good play from Bev Parris at centre.

In the third period Toucans closed the gap slightly, with Rachel Darlami playing well. The final period belonged to Hi Q as they moved clear to record a 41-24 win that left Sidmouth with a point.

Disappointingly the third game did not take place as JD tyres were unable to field a side - so hawks took the 3 points and a +10 goal difference whilst JD were docked 3 points and 10 goals.

## Scrum-down rugby round-up

# Ruthless Sidmouth pile-up points

### SIDMOUTH 56 NORTH DORSET 0

IT could be argued that Sidmouth deserved more in the way of league points from their opening two encounters than they actually got.

They made no mistake on Saturday wallowing the newly promoted Gillingham side by eight tries to nil.

In fact it was the visitors who started the brighter, extending the home defence with a flowing threequarter move that was checked just short of the line, before Tom Whelan steadied the ship by kicking a penalty.

Sidmouth then began to quietly gain control and eventually increased their lead after Matt Farrington had profited from Meadham's broken field running. Tom Hodge added the extras and the hosts held a 10-0 interval lead.

The third quarter was pivotal to the result. The visitors lost a player to the sin bin. Whelan kicked the resultant penalty and, while North Dorset were a man short, Sidmouth put the result beyond doubt.

Pyne carried well out of defence and, after good work by Hodge and Whelan, Josh Bess touched down.

Then Rhys Thomas was the first to react after home pressure at a scrum close to the

visitors' line had caused the ball to run loose, and, when blind side winger Meadham came into the line and made space for James Powell, they had scored three tries within the ten minute penalty.

Whelan converted the third try and his side now led 30-0.

This scoring spate had really taken the wind out of the North Dorset sails and the floodgates opened rather.

Out-half Jason Luff then broke twice in quick succession and put Sam Meadham in for tries.

Tom Seward then followed a Whelan Garyowen and took full advantage when the defenders failed to cope. Whelan converted this score before Tom Irish drove over from close range to complete the scoring and to take his side to a most comprehensive win.

### WELLINGTON 37 HONITON 11

HONITON are finding that, generally speaking, their opponents in the Western Counties Division are well placed and eager to take advantage of their opponents' inefficiencies. This was indeed the case on Saturday.

Wellington scored three first-half tries, with the first being perhaps the result of a

refereeing lapse, and the second coming as a result of their opponents' defensive mix up.

Honiton could only muster two George Meadows penalties in reply, and therefore trailed 22-6 at the halfway stage.

The Somerset side scored two more tries during the second period, converting one of them and adding a penalty goal for good measure.

Honiton never gave up the ghost however. They kept competing and were rewarded with a well-worked try, touched down by Ollie Hyland, at the last.

The Honiton second side was without a fixture having kept the weekend clear in view of a wedding in its ranks.

### PREVIEW

THE league programme continues on Saturday next and both local clubs have games that will really test them.

SIDMOUTH travel to take on newly promoted NORTH PETHERTON, a side whom, I must confess, I know little about, they having won the Western Counties (West) Division last season.

One cannot argue with their credentials however for they are the only side whose 100 per cent record is intact. Their opening

three fixtures have perhaps been against clubs who will not end the season in the division's top flight.

Sidmouth will certainly not find the going easy but I do take them to come away with a win.

HONITON, who are finding things a little rich for their blood in the Western Counties Division, entertain TRURO, a side who have not enjoyed the best of starts to their campaign, although they did notch a comfortable win against bottom side Bude.

Honiton will certainly find the going difficult against these opponents, home advantage notwithstanding.

As to the second sides, Honiton seconds can expect a competitive encounter at Culmpton seconds, while Sidmouth seconds cannot expect to get too much change from Topsham of the Devon league, whom they take on at the Blackmore. Sidmouth thirds travel to Exmouth thirds and will do well to win there.

## Cricket Honiton

HONITON Cricket club's 2nd team captain Andrew Lapping has decided to step aside after being in charge of the side for eight years with two years as 1st XI captain in between,

The outgoing captain gave the following statement to the HCC committee: "Now that the 2nd team are in the highest division they have ever been in and, but for availability and the weather, would of been possibly in the top four, I have decided that it's time for me to step aside and concentrate on just playing, and for someone to bring fresh ideas to the team."

"I will of course continue to play and help the club move forward, and will support whoever takes over the post.

"When everyone is available we have one the best squads in the area and with a couple new additions I'm sure both teams will be competitive next year."

"It's been a pleasure to be associated with everyone I've worked with over the years and big thanks to those who have helped me, especially my wife who has had to put up with all the highs and lows a cricket captain goes through!"

## Charmouth victory for Amy

### HONITON RUNNING CLUB

with Judy Davey

ON Sunday, September 9th Honiton Running Club members Graham Reeves, Sam Shute, and Lesley Crocker took part in the Force 10k at Powderham Castle.

The route starts at the castle and takes runners around the estate and through the woodlands. It was very warm and sunny. Graham was first back in 13th place in a time of 40 minutes 56 seconds.

Next back was Lesley in 50-27 and 89th place. Sam followed in 61-40 and 22nd. There were 302 finishers.

The Charmouth Challenge usually takes place in July but due to extreme weather conditions which would have made the run dangerous; it was postponed until last Sunday.

The run goes through some spectacular coastal scenery with amazing views and the eight mile route includes an ascent of Golden Cap.

Bruce Strawbridge was first back for Honiton finishing in 18th place and delighted with his time of 1:05:46.

Howard Bidmead also had a great race to finish in 28th position in 1:11:58. Judy Davey was the only female Honiton representative and she was pleased with her 40th place finishing in 1:15:59.

The winner was Kyle Hackett who managed the speedy time of 54:40.

■ THE AVR team at start of the Highways and Skyways. Amy Greenhalgh the 18-mile winner is pictured left in black.

the Dorset countryside.

The AVR team comprising Ethan, Gill and Jon Day plus Janet Woodward were first in the eight mile version taking 2:16. Team Sibley - James and Tim - were 5th in the 13-mile edition taking 2:33.

Amy Greenhalgh was the victor in the very tiring 18 mile event in 3:17.

Phil and Simon Bayliss ran together, finishing joint 9th in 3:33 with John Larcombe, 11th in 4:02. Those two off road stalwarts Geoff Woodward and Steve Reynolds were joint 15th along with Richard Dodge. After their endeavours the runners enjoyed a super tasty courtesy of Ganesh Wholefoods Ltd.

Next off was the eight-mile Charmouth Challenge, the most southerly fell race in England.

This race was won by Kyle Hackett of Poole Runners in 54:36, closely followed by AVR's Tim Lenton in 54:49.

Ian Apps once again showed he is returning to form by finishing 16th in 1:05:28 and Martin Croad really excelled when he finished 17th, 1:05:34. Eleanor Wood had another great race, she was 2nd lady, 26th overall in 1:10:21. Chris Driver dreams of beating Eleanor, but this was not his day as he completed 35th in 1:14:50.

Ian Clements and Dave Thomas were together for a while, but Dave's recently caught Great North Bug slowed him so Ian finished 44th, 1:17:08 and Dave 46th, 1:17:38.

Richard Hale started slowly, then sped up and caught son in law Sam Wickins, but Sam is made of sterner stuff and sped up to finish 52nd, 1:19:40 with Richard just behind in 1:20:14.

Siobhan Reddy ran well to finish 59th

in 1:21:48. Dave Mutter was the last AVR to finish, 66th in 1:23:58.

The Charmouth 2.5 mile Fun Run was held in the afternoon and William Blackledge ran well to finish 12th in 14:52. Liz Thomas also had a go and finished 94th in 26:45.

◆ On Wednesday night Luke Reed travelled to the Eton Dorney rowing lakes to take part in round three of the Votwo evening sprint Triathlon series.

It turned out to be a very good night for Luke who came in 4th overall out of 190 finishers, in a time of 1:04.16.

The distances and splits were: 750m lake swim - 12.27, 20k bike - 32.07, 5k run - 18.46.

Then on Sunday he travelled to Padstow for the Votwo Standard distance Triathlon, which included the National Police Championships, meaning a very high standard of racing.

Luke finished a very good week of racing finishing 12th overall in 2:28.34. Distances and Splits: 1500m Sea Swim - 31:45, 40k Bike - 1:11:30, 10k off road run - 43:40.

On Saturday, Liam Roberts completed a training session of 5km, followed by five repetitions of 75 secs and then two miles at half-marathon pace.

Training isn't normally reported on but the 5km at the start of this session was the Cannon Hill Parkrun in Birmingham. Liam won this by 46 seconds in 15:42, slicing six seconds off of his PB despite getting the pacing wrong by starting off slightly too hard.

Hopefully there is much more time to be lopped off on in a competitive race on a fast course.

## Youth Football

### Feniton U8 5

### Heavitree Bulls 2

FENITON were given a rude awakening as Heavitree Bulls took an early lead.

But the hosts were soon level as Lawrence Walker fired in from the edge of the area.

Two minutes later Matt Jeacock scored from a corner which deflected in off the 'keeper, only for the visitors to level soon after.

Feniton regained the lead just before half-time when Walker tapped-in following fine work by Ollie Glanville down the left wing.

The second-half was again very even before Alex Glanville steadied Feniton nerves with fine strike.

In injury-time Dan Badcott crowned off a Man-o-f-them-a-tch performance with a great run and finish.

### Feniton U8 5

## Hockey friendly

### Honiton Hornets 1 Sidmouth & Ottery 0

In beautiful weather for the opening game to the new season, Honiton Hornets hockey club played newly amalgamated neighbours Sidmouth & Ottery St Mary in friendly.

For most of the match play was in the Sid-Otter half of the pitch; and eventually a goal resulted when newcomer, Laura Frank scored from the edge of the circle.

All in all an excellent way to start the new season, with everyone working together contributing to the good result - it promises well for Honiton's future in the 2012-2013 League. Player-of-the-Match: Lucy Le Coq.

# Game of two halves for Sidmouth

SIDMOUTH Town remain rooted to the foot of the South West Peninsula League Division One (East) table after a 4-1 defeat at Exeter Civil Service.

Town took the lead when good work from Mark Badcock and Kyle Baker set up Jake Allen to drill a right foot shot into the far corner giving the Civil 'keeper no chance and the hosts a slender lead at the interval.

But within 20 minutes the hosts' goal had been breached four times.

Sidmouth manager Paddy Thomas said: "At half-time I was really pleased, but we just couldn't get out of our half for 20 minutes after the break.

"We need to man up, get basics right and play for the full 90 minutes not just in patches before we will turn the corner."

Thomas will hope for better at

the weekend when they make the short trip to Sector Lane to face neighbours Axminster Town in a Throgmorton Cup first round clash.

Meanwhile, OTTERY ST MARY made progress in the Devon Senior Cup on Saturday with a 3-1 win over visiting Dartmouth Reserves.

Ottery, still seeking their first win in Devon & Exeter league division three travel to unbeaten league leaders Crediton United Reserves on Saturday.

HONITON TOWN booked their place in round two with a narrow 3-2 win over Broadhempstone.

But COLATON RALEIGH crashed out after a 4-2 home defeat

by Dawlish United. Raleigh travel to Bickleigh on Saturday.

It was a similar story at SIDFORD UNITED where the hosts were beaten 1-0 by the Windmill.

Back in the Devon & Exeter League FENITON were the top scorers in the Premier division with Paul Dowling scoring four times in a 7-0 demolition of Willand Rovers Reserves at Acland Park.

On Saturday Mark Kingdon's side, still unbeaten and currently lying second in the table, welcome Newtown.

SIDMOUTH TOWN RESERVES beat Westex Rovers 2-1 and, despite an indifferent performance, manager Nick Ogden will be looking for more of the same when his team entertains Beacon Knights at the weekend.

## Sidmouth Town Raiders U10s

**GOOD START:**  
Sidmouth Town Raiders under 10s have started the new season in the Exeter Youth League in fine style. The youngsters are pictured left before the recent 7-1 victory over Tyford Gladiators.

The team went down 2-0 against Twyford Spartans on the same day. The Raiders are scheduled to play against Honiton Town and Feniton Terriers at Feniton on Sunday.
